

## Surgical Log Report

### Download Instructions

For the bi-annual Fellow Assessment completed by Fellowship Training Program Directors, Program Directors are asked to upload a copy of their fellow's surgical log report which will be **provided by the fellow**. If your fellow does not know how to send you this report, please forward them this instruction page.

**Step 1:** The fellow will need to sign in to their Academic Universe Account

**Step 2:** Then go to the Surgical Log tab and click on the excel icon as shown in the screenshot below. This will download a copy of the report.
