

# 2024 Advanced Leadership Development Program

## CME Information Document

The American Society of Transplant Surgeons (ASTS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### I. Disclosure of Relevant Financial Relationships

As the accredited provider for this activity, ASTS is committed to providing evidence-based clinical information to participants and requires a disclosure of any relevant financial relationships with commercial interests. It is not the intent of ASTS to disqualify anyone from participating in this activity but to resolve any conflicts of interest that may arise from financial relationships with commercial interests. All conflicts of interest are reviewed by the ASTS CME Program to ensure that conflicts are evaluated and, if necessary, resolved. ASTS educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of clinical experts inherent in promoting a balanced presentation. Through our review process, all ASTS CME activities are ensured of independent, objective, scientifically balanced presentations. Disclosure of relevant financial relationships will be made available prior to the activity.

The following is the disclosure information for individuals in control of content for the 2024 Advanced Leadership Development Program. All relevant relationships were mitigated.

## II. Accreditation and Credit Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the ACCME through the joint provider ship of the ASTS. The ASTS is accredited by AACME to provide continuing medical education for physicians. ASTS designates this live activity for a maximum of **21.5 AMA PRA Category 1 Credits™**. Credit hours are subject to change. Physicians should claim only the credit commensurate with the extent of their participation.
