Support the mastery of the intricacies of transplant finance

Become a supporter of the sought after online Kidney & Liver Financial Bootcamps! Attendees will participate in a deep dive into transplant finance and equip themselves with the tools and knowledge to lead transplant programs to success. The bootcamps will be broken into three units: kidney, liver, and utilizing organ perfusion. Attendees will work through online modules at their own pace, and then come together to de-brief during three live Q&A sessions.
