

## 2022 Leadership Development Program

### CME Information Document

#### I. Disclosure of Relevant Financial Relationships

As the accredited provider for this activity, ASTS remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any relevant financial relationships with ACCME-defined ineligible companies. It is not the intent of ASTS to disqualify anyone from participating in this educational activity but to mitigate relevant financial relationships with ineligible companies. All disclosed financial relationships are reviewed by the ASTS CME Program to ensure that such situations are properly evaluated and, if necessary, mitigated. ASTS educational standards pertaining to relevant financial relationships are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all ASTS CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relevant financial relationships will be made available prior to educational activities.

Because this program does not include any clinical content, none of the individuals have any relevant relationships. We have listed the disclosed financial relationships for all individuals in control of content for the 2022 Leadership Development Program for transparency purposes only. [Note: Speakers and Moderators for Non-CME sessions are not listed.]

First Name	Last Name	Role in Activity	Commercial Entity	Disclosure

## II. Accreditation and Credit Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the provider ship of the American Society of Transplant Surgeons (ASTS). The American Society of Transplant Surgeons (ASTS) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Society of Transplant Surgeons designates this live activity for a maximum of 19.50 *AMA PRA Category 1 Credits*<sup>™</sup>. Credit hours are subject to change. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
