### Sessions

[Hide / Show Instructions](#)

**Note to speakers - Please do not claim credits for the sessions that you presented.**

To claim your CME credits, hover your cursor over the credit box and select your credits. You must click on the desired credit for it to appear in the box.  
**Please note:** Completion of **The 2015 Winter Symposium Overall Evaluation** is **required** to obtain your certificate. You may then click **My Certificates** above to access your certificate.

**SESSIONS ELIGIBLE FOR MOC:** Five sessions are MOC eligible this year. Click on the blue Post Test box..  
Upon passing the Post Test a "blue" box will appear around the credits indicating that amount which counts towards MOC credit.

*By clicking the **My certificates** button above, I attest that I have participated in this educational activity and that I am claiming credit hours commensurate with my participation.*

Total CME credit claimed:  out of a maximum of 26.5
