

Below are the items that need to be completed before your fellow finishes training at your Fellowship Training Program:

- Complete all [milestones](#) for the fellow. This includes the 6-month, 12-month, 18-month, and 24-month milestone assessment.
- Review the fellow's surgical log which is needed for each milestone form as well as the certificate of completion form.
- Ensure that the fellow submits the [certificate of completion](#) form within 6-months of completing training. As Program Director, you will need to sign this form.
- Make sure that your fellows are aware of the [requirements](#) for fellowship training as well as the [fellowship certification pathway](#).
