

Knowledge Assessment

Instructions for Fellows

Knowledge Assessment

The Knowledge Assessment consist of 120 questions which fellows will have 3 hours (180 minutes) to complete. The assessment is timed and as soon as you begin the assessment you must complete it in one sitting. Fellows can only take the assessment on the date they registered for. The assessment will be open for a 24-hour period on the exam date. This means you can take it at any time but you will only have 3 hours (180 minutes) to complete it.

The assessment will be administered using a secure online exam platform through Examsoft called **Exemplify**. All Fellows should have already downloaded Exemplify when they completed their practice exam. If you need to re-download Exemplify, [click here](#).

Knowledge Assessment: Proctor Information

The Knowledge Assessment will be proctored by the Fellowship Training Program Director or designated alternative. The proctor is asked to remain in the room during the entire assessment and will be asked to complete a proctor verification form. The exam administrator and exam taker(s) must follow all infection control or social distancing protocols that apply at their institution or testing site.

Examination Rules:

Fellows are asked to follow the examination rules as outlined below:

- The Transplant Accreditation & Certification Council (TACC) holds training programs and examinees to the highest standards of ethical and professional behavior.
- Unethical, dishonest, or otherwise unprofessional behavior by an examinee may cause cancellation of examination scores, barring from future examinations by the TACC and may prevent the examinee from receiving a certificate of completion.
- The Fellowship Training Program Director agrees to report any and all suspected unethical or unprofessional behavior including any and all testing irregularities to the TACC, and shall not independently adjudicate such behaviors or irregularities.
- Unethical behavior is defined by the TACC to include disclosure, publication, reproduction, or transmission of this examination in whole or in part in any form or by any means, verbal or written, electronic or mechanical, for any purpose. This extends to sharing examination information or discussing the examination prior to the closure of the exam period.
- Examinees shall be free of all clinical responsibilities during the examination.
- Examinees shall not have access to any written or electronic informational resources during the exam.
- Once the exam has begun, examinees shall not have access to any communication devices (phone, pager, smart watch, tablet etc.) during the exam and may not access these devices at any point, including during breaks, until after the exam is completed.
- The exam shall be administered in a manner that is consistent with all applicable guidelines pertaining to infection control and social distancing.
- If testing accommodations are required such as would be required for a physical condition or learning disability, prior arrangements must be made with the TACC.

Knowledge Assessment: Results

The results of the Knowledge Assessment will be sent to the fellow and their Fellowship Training Program Director. The results will be distributed in May.

Fellows must have an average score of >50% correct when the scores from their first- and second-year assessments are combined. Remediation options are available for fellows who do not score >50%. Review the [Fellow Requirements](#) for more details.

The screenshot shows the Examplify exam interface. At the top, the Examplify logo is on the left, followed by the text "PREVIEW_2021 Practice Exam | CHELSEY GORDON (60800)". In the center, it says "TIME REMAINING 00:14". On the right, there are buttons for "EXAM CONTROLS" and "TOOL KIT". Below the header, there is a "FILTER" button and a list of question numbers (1, 2, 3). Question 1 is selected and highlighted with a blue circle. The question text is "True or False: I have used ExamSoft or a similar exam platform at my current or previous institution:". Below the question, it says "Currently Selected : A". There are two answer options: "A True" and "B False". The "A True" option is highlighted with a blue border and a checkmark icon, indicating it is the selected answer.

How to answer questions:

Make sure that you select your answer choice before moving on to the next question. The answer choice you select will appear next to **Currently Selected**.

When you have answered all questions and are ready to submit the exam, **confirm you have completed the exam and select “submit exam”**
