Northwestern University

Time (minutes)	Topic/Title	Speaker
1:00 – 1:45 pm	Title: Career Mentorship for all Ages – Addressing different needs for different stages of careers in transplant surgery from students to faculty. Topic: Mentorship through the years – Successful models of mentorship at each career stage from medical student to faculty	Marwan Abouljoud, MD, FACS <i>Henry Ford Hospital</i>
1:45 – 2:30 pm	Title: Engaging the best and the brightest to careers in transplant surgery. Topic: Engaging the next generation of transplant surgeons.	Michael J. Englesbe, MD <i>University of Michigan</i>
2:30 – 3:15 pm	Title: Balanced living for transplant surgeons – developing habits for a healthy career Topic: Leading transplant surgeons toward healthy, balanced, and long careers (stress management, career planning, burnout prevention, work/life balance, and wellness).	David Mulligan, MD <i>Yale-New Haven Transplantation Center</i>

The Education Workshop at the ASTS Winter Symposium is designed to address topics germane to surgical training of students, residents, and fellows, as well as the professional development of surgical educators. Each year we select several speakers to update attendees on the ever-changing rubric of surgical education with special attention to topics that are broadly applicable for all levels.
